

Folksongs of the Four Seasons

Sunday, March 24th, 5:00 p.m.

Historic Academy of Music Theatre

524 Main Street, Lynchburg, VA 24504

Cantate Children's and Youth Choir, Central Virginia's community choir for young singers, welcomes the advanced groups from the Greater Richmond Children's Choir for this collaborative concert. The heart of the program will be a cantata by Ralph Vaughan Williams, "Folk Songs of the Four Seasons", sung by both choirs and accompanied by a string quintet and piano. The remainder of the concert will be interesting and charming works performed separately by each choir. Some of the individual pieces include arrangements of a Japanese children's song, a French-Canadian folksong, and a Finnish folk poem—all sung in the original languages. Singers and directors from both choirs are pictured above after a joint concert in Richmond.

Tickets: Adults \$14, Students \$12 at Academycenter.org
